**You think it,  
we make it!**

Custom manufacturing,  
to your design.

Help is a Queensland-based social enterprise helping people with disability lead fulfilling and independent lives. Partner with us to bring your manufacturing vision to life and be an organisation with impact. It's a win-win.

As a manufacturer with a broad range of custom capabilities, we are the ideal partner for grant and tender applications, commercial projects, and bespoke manufacturing solutions.

Create lasting value for your organisation and simultaneously meet your social policy objectives and fulfil your functional business requirements.

# Materials and Colours

We specialise in transforming your specifications or design concepts into high-quality products that meet your unique needs and standards.

Our range of products are available with the following materials, finishes and powder coating colors.

## Metals & Finishes

Aluminium – Powder coated or Anodised finish

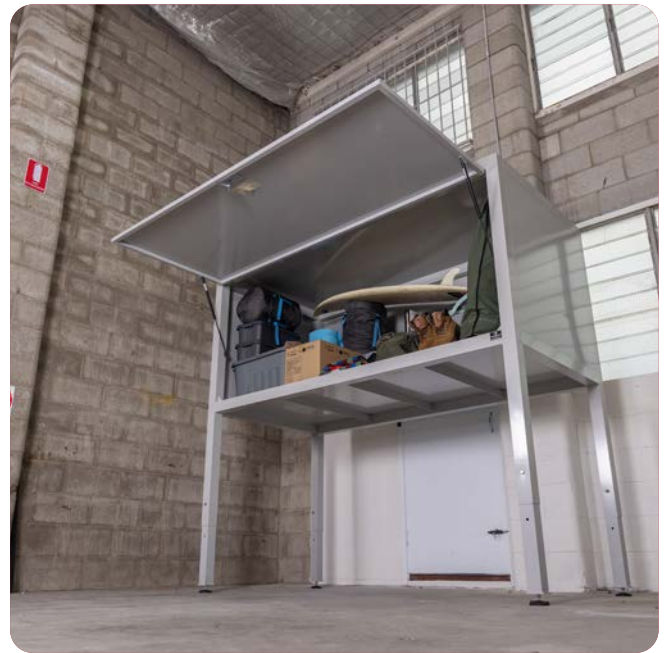

Mild steel – Powder coated, galvanized or Zinc-plated finish

Stainless steel (304 & 316) – No. 2B - No.7 finish

## Recycled Composite Wood (Eco-Friendly)

Up to 14-clours available.

- Fine Grain Look
- Coarse Sanded Look

## Powdercoat Colours

Our in-house powder coating facility ensures a quality product. We offer a wide range of standard powder coat colours at no extra charge:

 GLOSS  
 MATTE  
 SATIN

 also available in natural anodised non-powder coated

Disclaimer: Two-tone colours available on request. The colours represented above are as close to the actual colours as possible and should only be used as a guide. The Interpon D1000 range is used as standard for the above colours. Other Interpon and Dulux powder coat ranges/colours are available, ask our sales team for a quote as extra charges apply.
